KIT BRONPOMPEN S4 KIT POMPES IMMERGEES S4

**KLAAR VOOR INSTALLATIE
PRET A L'EMPLOIE**

Dab levert u een gebruiksklare en eenvoudig te plaatsen pompinstallatie :

1. Pompe : type S4 (zie catalogus voor elektrische en hydraulische gegevens)

- met schakelkast (ESC PLUS)
 - bescherming tegen overbelasting
 - bescherming tegen te hoge/lage spanningen
 - bescherming tegen kortsluiting
 - bescherming tegen droogdraaien
 - bescherming tegen ontbrekende fase (driefase)

- met frequentieregelaar Active Driver
 - meer comfort
 - energiezuinig
 - zeer stille werking
 - duurzaam materiaal
- 2. 15/30m kabel voorgemonteerd
- 3. Nylon trekkoord

DAB vous livre une installation facile et prête à l'emploi :

1. Pompe : type S4 (voir catalogue pour données électriques et hydrauliques)

- avec coffret (ESC PLUS)
 - protection contre les surcharges
 - protection contre chute de tension ou surtensions
 - protection contre les courts-circuits
 - protection contre marche à sec
 - protection contre les ruptures de phase (triphase).

- avec régulateur de fréquence Active Driver
 - plus de confort
 - économie d'énergie
 - fonctionnement très silencieux
 - longévité accrue
- 2. Câble 15/30m pré-monté
- 3. Corde de nylon
